The Sandpiper brings together style, space and thoughtful design to create a home that truly works for you. A welcoming study with sliding doors sits at the front – ideal for working, reading or retreating – while the spacious media room offers yet another space to unwind.

At the heart of the home, a beautifully open kitchen, living and dining area connects effortlessly to the alfresco, inviting connection and calm in equal measure. With two bedrooms, two bathrooms and a double garage, the Sandpiper makes room for what matters most – comfort, creativity and connection.
